all with the traditional Northstar quality

NORTHSTAR
ION 12

First of NorthStar's user friendly ION series of high performance RIBs. ION 12 is introduced with its new Evo2 hull. Evo 2 hulls provide very high level of stability at high speeds and are produced with vacuum infusion for unparalleled strength and lightness. ION 12 is available with 3 different deck layouts to cater to different needs. In typical NorthStar fashion, ION range offers high level of equipment and quality.
