all with the traditional Northstar quality

NORTHSTAR
AXIS
TENDERS

Northstar AXIS Tenders have been developed to answer all the critical needs for a functional, ergonomic and performing yacht tender. AXIS Tenders are offered in 6 different lengths between 3.2m (10'7") and 5.3 (17'5") to fit a variety of swimming platforms and garages. Benefiting from the Delta-lift hull shape with integrated delta tabs aft, all AXIS tenders plane very easily and ride dry. Fitted with standard features like hydraulic steering, CSM (Hypalon) tubes, built-in fuel tank, pop-up cleats, extensive electrical system with auto bilge pump, navigation lights and USB charging socket, an AXIS tender is ready to become your indispensable tool around your yacht.
